Public Exhibition 1883

REGISTER.

Mr. Acton Burrows,

Sec-Treas. Board of Agriculture,

Winnipeg.

Board of Agriculture of Manitoba.

Provincial Exhibition, Portage La Prairie, 1883.

Entry Form referred to in Rule 3 of Prize List.

I, the undersigned, propose to exhibit as under at the Annual Exhibition, to be held in Portage La Prairie
October 1st, 2nd, 3rd, 4th, 5th, and 6th, 1883.

I certify that all the articles so proposed to be exhibited by me are of my own growth or production or of my own design or arrangement ; or in case of animals the *bona fide* property of the exhibitor, in accordance with the rule of the exhibition.

Signature, _____

Section..... Township..... Range..... Post Office Address.....

Date 1883.

One dollar must be sent with this entry paper, except by persons exempted by rule 4 of Prize List.

No entry paper will be received later than September 19th. They should be mailed at least two weeks prior to that date, and as much earlier as possible.

When filled up this paper should be sent at once, by registered letter, to the Secretary-Treasurer. **ACTON**
BURROWS, Winnipeg.

PROGRAMME OF EXHIBITION.

Monday, October 1. All exhibits, except live stock, to be in their places by noon. Persons entitled to free admission to apply at the Secretary-Treasurer's office for tickets and badges.

Tuesday, October 2. Judges for all classes other than live stock and bands to report at the Secretary-Treasurer's office at 11 a. m. to commence their duties. All live stock to be on the grounds not later than 11 a. m. The exhibition will be formally opened at 1 o'clock by the President of the Board of Agriculture, in the presence of the Lieutenant-Governor, the members of the Provincial Government, and other distinguished guests. The main building will be closed till the judges complete their awards.

Wednesday, October 3. Grounds and all buildings will be fully open to the public. Judges on live stock will report at the Secretary-Treasurer's office at 11 a. m. to commence their duties. The live stock will be paraded in the ring while being judged. The competition for band prizes will take place during the afternoon.

Thursday, October 4. Grounds, &c. open as on Wednesday. Grand parade of prize animals at 2 p. m. Band competition will be continued during the afternoon.

Friday, October 5. School children, accompanied by their teachers will be admitted free up to noon. Prize live stock will be again paraded at 2 p. m. Exhibitors will be allowed to commence the removal of their live stock after 4 p. m. Banquet of officials, members of the Board and others in the evening.

Saturday, October 6. The gates will be opened at daylight to facilitate the removal of exhibits. At 10 a. m. an auction will be held for the sale of exhibits, for which entries must be made the previous day at the Secretary-Treasurer's office. Exhibitors will be required to remove all their property during the day. The Secretary-Treasurer's temporary branch office will be closed at noon, and the staff removed to the head office at Winnipeg.

REGULATIONS.

1. Persons desiring to correspond with the Secretary-Treasurer will address their communications to Acton Burrows, Winnipeg. The offices of the Board are at the corner of Broadway and Kennedy streets, Winnipeg, where the Secretary-Treasurer can be seen daily on business connected with the exhibition, between the hours of 11 a. m. and 1 p. m. The offices of the Board in Winnipeg will be closed from the evening of Wednesday, September 26, until October 8, during which time the Secretary-Treasurer and his staff will be found in attendance at the temporary offices on the exhibition grounds at Portage la Prairie.

2. Entries must be in the hands of the Secretary-Treasurer, Acton Burrows, Winnipeg, not later than September 19. They should be mailed at least a week previous to that date, and as much earlier as possible. Considerable time is necessarily occupied in the examination of entry papers, and it is frequently necessary to correspond with the senders for the correction of errors and omissions. The above limit of date for the reception of entries will therefore be rigidly adhered to. In nearly every case it is as easy for exhibitors to make their entries two months before an exhibition, as two weeks before, and promptness in this respect will materially assist the Secretary-Treasurer in his work and enable him to mail admission and entry tickets to the exhibitors, thus preventing the necessity of their obtaining them on the opening of the show, when, owing to the pressure of work in the office, they may be delayed.

3. Entries must be made on the printed forms provided for the purpose, one of which is enclosed in this list. Additional copies of the prize list or entry papers will be mailed to any address on application to the Secretary-Treasurer, or they can be obtained from the Secretary-Treasurers of any of the electoral division agricultural societies. Copies of the prize list can be seen on application to any postmaster.

4. One dollar entry fee must accompany each entry paper sent by any person other than members of the Board, and regularly recognised crop correspondents of the Department, otherwise the entry will not be recorded in the books. The envelope enclosing the entry paper and fee should in all cases be registered to ensure its safe delivery.

5. Only one entry will be allowed to an exhibitor in one section of any class other than live stock. No animal or article will be allowed to compete in more than one section of a class, except herds of cattle and pens

of sheep or sows, which may be shown separately and with young, and foals, which may be shown separately and with their dams, or animals competing for diplomas.

6. Every article must be entered under some one of the headings in the prize list, when possible; but if any article is of a distinct character from anything specified in the list, it may then be entered in the extra section of that class with which it most nearly corresponds. No article, however, will be allowed to be entered as an extra for want of sufficient quantity or number, or any other similar defect, when of the same kind or variety as anything named in the list; in such a case the article cannot be exhibited for competition.

7. On the receipt of entries a card will be prepared for each animal or article, specifying the class, section and number of entry, which card must remain attached to the animal or its pen or stall or to the article during the whole period of the exhibition. Where postal facilities permit these cards will be mailed to intending exhibitors. Those who do not thus receive them can obtain them at the Secretary-Treasurer's office on the exhibition grounds, on and after Thursday, September 27.

8. The grounds and buildings will be opened on Saturday, September 29. All exhibits other than live stock, etc., must be in the places allotted to them not later than noon on Monday, October 1. Live stock must be on the grounds not later than 11 a. m. on Tuesday, October 2. No exhibits of either articles or live stock shall be removed from the grounds until after 4 p. m. on Friday, October 5. The grounds and buildings will be opened at daylight on Saturday, October 6 to facilitate the removal of exhibits. Exhibitors acting in defiance of this rule will forfeit all prizes awarded them.

9. No exhibits, or sacks or other coverings containing them, will be admitted with name, mark or initials thereon.

10. Articles on exhibition shall not be handled except by the officers of the department to which they belong.

11. Each exhibitor, on being furnished with his entry tickets, will be given four small admission tickets, each of which will admit the holder once, and must be given up at the turnstile on passing into the grounds. If an exhibitor, having used them all, shall still desire admission, he shall pay in the same manner as the general public. The entry tickets upon animals or articles will admit once the persons taking them to the grounds for exhibition, along with the animals or articles, without the use of any other ticket. Afterwards such persons must be provided with proper admission tickets.

12. *Necessary attendants* upon stock and articles belonging to exhibitors will be furnished with admission tickets for each day of the exhibition, with their names written upon them, WHICH TICKETS WILL BE GOOD, TO THE PERSONS WHOSE NAMES THEY BEAR, AT THE EXHIBITION GATE ONLY, and not at the turnstiles. The Superintendent of each department will be the person to whom to apply for orders for such tickets, to be then furnished by the Secretary-Treasurer.

13. Complimentary tickets of admission or badges will be issued to the members of the Board of Agriculture, the judges, representatives of the press, and the authorised crop correspondents of the Department of Agriculture and Statistics. Any of these not having received their tickets prior to the opening of the exhibition, should apply at the Secretary-Treasurer's office on the exhibition grounds.

14. The price of admission to others than those enumerated in rule 14 will be 25 cents each time of entering through the gates during the exhibition. The admission will be by means of registering turnstiles, AND EACH PERSON WILL BE REQUIRED TO BE PROVIDED WITH THE PROPER CHANGE BEFORE ENTERING. Carriages and horsemen will not be admitted. All horses entered for exhibition purposes shall only be ridden or driven while being exhibited, and in the ring. School children, accompanied by their teachers, will be admitted free between 9 a. m. and noon on Friday, October 5.

15. In the classes of blood horses and pure bred cattle, full pedigrees, properly certified, must accompany the entry. No animals will be allowed to compete as pure bred unless they possess regular stud or herd book pedigrees, or satisfactory evidence be produced that they are directly descended from such stock.

16. Live stock must be the bona-fide property of the exhibitor.

17. The age of any animal shall be reckoned from the first day of January in the year of its birth.

18. No stallion shall be awarded a prize until it has been examined by the consulting veterinarian of the Board and certified by him as being free from disease.

19. Brood mares must be exhibited with their foal at foot, or must give evidence of having bred and raised a foal during the current year.

20. Bulls must have a ring in their nose or be otherwise properly secured to the satisfaction of the Live Stock Superintendent.

21. *In case any animal for which a first prize is awarded has been imported since January 1, 1883, the amount of the prize shall be in-*

creased 25 per cent. Satisfactory proof of importation must be produced. In order to entitle the exhibitor to claim the additional premium, notice must be given of the importation when the entry is made.

22. In all cases where first prizes are awarded to thoroughbred horses or cattle, it is optional with the exhibitor to accept a silver medal of equal value with the cash prize, and in lieu thereof; and for thoroughbred sheep and pigs a bronze medal may similarly be substituted.

23. Arrangements will be made to supply forage and grain on the ground at reasonable rates.

24. Grain, roots, seeds, dairy produce and all other agricultural or horticultural products must be the property of the exhibitor, and produced on his farm or holding in Manitoba or N. W. T. during 1883; a description of the manner of culture or curing to be furnished the Secretary-Treasurer if required.

25. Articles which have been awarded prizes at any previous Provincial Exhibition, shall not be entered in competition for the prizes named in the prize list of this year, but ample space will be furnished them for exhibition.

26. Judges will be appointed by the Council of Agriculture previous to the exhibition, and will receive a circular informing them of the fact, and inviting them to act. Those for classes other than live stock will please report and present their circular of appointment at the Secretary-Treasurer's office, on the grounds, at 11 a. m., on Tuesday, October 2. Judges of live stock will please report there at 11 a. m. on Wednesday, October 3. The circular of appointment will admit judges on their first entrance to the grounds if they have not received a badge. They will then apply for badges at the Secretary-Treasurer's office. No person shall act as a judge in any class in which he may be an exhibitor. The Secretary-Treasurer will supply judges with books in which to enter their awards, and with tickets to attach to the prize exhibits. The first prize ticket will be red, second blue, third white, and highly commended green.

27. In the absence of competition in any section, or if the stock or articles exhibited be of an inferior quality, the judges are instructed to award only such premiums as they think the exhibit deserving of. They will exercise their discretion as to whether they will award any prize. The Council may award extra prizes to exhibits specially recommended by the judges.

28. No person will be allowed to interfere with the judges while in the discharge of their duties. Exhibitors so interfering will forfeit their right to any premiums to which they might be otherwise entitled.

29. Protests against judges' decisions must be filed in writing with the Secretary-Treasurer not later than 6 p. m. on Thursday, October 4.

30. Money prizes will be paid by cheques, which will be sent by mail within a month from the close of the exhibition. Persons whose addresses may be changed from that given on the entry paper should notify the Secretary-Treasurer.

31. Any infringement of the rules may be punished by withholding prize, expulsion from the grounds, or such other action as the Council may determine.

32. The management will take every possible precaution, under the circumstances, to insure the safety of articles sent to the exhibition, and should any article be accidentally injured, lost or stolen, they will give all the assistance in their power towards the recovery of the same; but they will not make any payment for the value thereof, nor will they be responsible for damage resulting from fire.

33. On Saturday, October 6, at 10 a. m., there will be a public auction of live stock and other exhibits, on the grounds, seller to pay auctioneer's fees, the entry to be made at the Secretary-Treasurer's office not later than 4 p. m. on Friday, October 5.

34. The Council of the Board of Agriculture hereby prohibit all kinds of gambling, theatrical, circus or mountebank performances and also prohibit the huckstering or trafficking in fruits, goods, wares or merchandise on the Exhibition Grounds, and any person who violates this rule shall be liable to be removed by the officers or constables of the Board and be subject to the penalty imposed under The Act respecting the Department of Agriculture, Statistics and Health.

TRANSPORTATION.

Arrangements have been made with the Canadian Pacific, Manitoba and Northwestern, and Manitoba Southwestern Colonization railways to convey visitors to the exhibition over their respective lines at greatly reduced rates of fare. Special passenger trains will be run on the Canadian Pacific and Manitoba and Northwestern roads. Animals and articles for exhibition will be conveyed at ordinary tariff rates, and will be carried back to the place of shipment free of freight if the ownership has not been changed.

For full particulars as to railway arrangements see posters and advertisements.

Classification.

1. Thoroughbred Horses.
2. Roadster Horses.
3. Carriage Horses.

Class 26.—Manufactures, imported to Manitoba.

At the request of numerous manufacturers it has been decided to offer no prizes in this class. Entries can be sent in in the ordinary way, each article to be shown being specified on the entry paper. Manufacturers and agents are cordially invited to exhibit, especially farm machinery. Ample space will be provided on the grounds for the display of the exhibits, as though they were competing for prizes.

AGRICULTURAL PRODUCTIONS.**Class 27.—Field Grains, Flour, Hops, Etc.**

All exhibits in this class must be the growth of 1883. The Board reserves the right to purchase all or part of the prize grain and other samples, at the current market prices, to be decided by the Council of Agriculture.

1 Twenty-five bushels Red Fyfe Wheat, grown in Manitoba, to be pure and unmixed, and entirely free from cockle or noxious weed seeds. The prizes to be awarded to the actual grower of the wheat, the first prize quantity of which is to be given up to and become the property of the Board.

1st prize, given by the Hudson Bay Company's Land Department, \$100, and Diploma by the Society. A gold medal may be substituted for the money prize at the option of the exhibitor.

BANDS.

Class 41.—Bands.

Best Band of Music. Bands competing will be expected to perform on the grounds during the afternoons of Wednesday and Thursday, October 3 and 4, when the Judges will be in attendance.....\$100 \$50 \$25

AGRICULTURAL ESSAYS.

The Board offers prizes of \$50 and \$25 respectively, or medals of equal value, at the option of successful competitors, for the best and second best essays on the most judicious method of farming in Manitoba, either by rotation of crops, or otherwise, so as to produce the largest yield of crops annually from the soil.

The greatest possible conciseness, compatible with explicitness, is expected. Essays must be written on paper of the size of foolscap, and on one side of the paper only. Each essay must be marked in the left-hand upper corner of the first page with a distinctive motto. The same motto, together with the writer's name, must be enclosed in a sealed envelope, and forwarded with the essay. This envelope will not be opened until after the award of prizes. Essays will be received by the Secretary-Treasurer until 6 p. m. on Saturday, September 29th, 1883.

LAND DEPARTMENT.

OFFICE IN NEW STATION BUILDING.

AMENDED LAND REGULATIONS!

WHEAT, MEADOW AND GRAZING LANDS!

 The Company now offer their Lands for Sale within the Forty-eight Mile Belt along the Main Line,

With or Without Cultivation Conditions!

at the option of the purchaser. Prices range from \$2.50 per acre upwards, with conditions requiring cultivation, and without cultivation or settlement, at liberal figures, based on close personal inspection by the Company's Land Examiners.

A REBATE.

When the Sale is made subject to Cultivation, of one-half of the purchase price will be allowed on the quantity cultivated, and will be applied on the next payment falling due.

RESERVED SECTIONS.

Reserved Sections, that is, Sections within one mile of the line and in the vicinity of towns and Sections, are now offered to the public at moderate figures, with heavy rebates for cultivation, particulars of which can be obtained from the undersigned, as well as the terms on which Meadow and Grazing Lands will be disposed of.

TERMS OF PAYMENT.

If paid for in full at time of purchase, a Deed of Conveyance of the land will be given; but the purchaser may pay one-sixth in cash, and the balance in five annual instalments, with interest at 6 per cent. per annum, payable in advance. Payments may be made in Land Grant Bonds which will be accepted at 10 per cent. premium on their par value, and accrued interest. These Bonds can be obtained on application at the Bank of Montreal, Montreal, or at any of its agencies.

 **TOWN LOTS** for Sale in the following C. P. R. Surveys:

Maps showing the Townships open for free entry under the Government Regulations, and the homesteads already taken therein, can be seen at the office of the Company at Winnipeg.

For further particulars and also for Folders, Maps and Pamphlets, apply in person or by letter to CHARLES DRINKWATER, Secretary C. P. R. Co., Montreal; to ALEXANDER BEGG, Land Agent of the Company, 101 Cannon Street, London, England; and to the undersigned, to whom all applications as to Prices, Rebates, and the Purchase of land generally, should be addressed.

J. H. McTAVISH, Land Commissioner.

TEN REASONS WHY EVERYBODY SHOULD BUY

THE "CHATHAM" WAGON:

FIRST.—It is made of the best selected Timber grown in the Counties of Essex, Kent and Lambton, Ontario, than which no better can be found in the world; in fact, the woods of those Counties were awarded the HIGHEST PRIZE at the World's Fair, held at London, England, in 1862.

SECOND.—The wood work, THOROUGHLY SEASONED, is shaped by the latest improved machinery, and put together by the BEST WAGON MECHANICS IN THE WORLD.

THIRD.—The Thimble Skeins are very much superior in shape to those used by any other maker, as the most practical can see at a glance, and are made of the best Scotch Pig, carefully selected, and weigh from 4 to 25 pounds more per set than any others, and therefore do not break.

FOURTH.—It is the best Ironed and Painted Wagon in the Market.

FIFTH.—The Skeins are set by a Patent Skein Setter, and are heated, shrunk, and cemented to axle. The Boxes are set by a Patent Boxing Machine, receive a coat of cement, and are pressed into the Hub by a machine that exerts a pressure of 20 tons, and can never get loose, as Boxes do when wedged in. By these means the Wheels are the most durable and perfect running that it is possible to make.

SIXTH.—It is the only Wagon made having the CELEBRATED CLIMAX TRUSS ROD applied to the Axles, really and truly doubling the strength of the Axle, while most other Trusses are simply a delusion and a snare, and all unprejudiced practical men will say so.

SEVENTH.—It is made by THE CHATHAM MANUFACTURING COMPANY, which have \$250,000 invested in the Works that produce it, and nothing else, and as their success or failure depends upon the quality of their Wagon, it must be self-evident that they cannot afford to allow even one bad wagon to leave their premises; and to secure themselves against that they have permanently secured the services of MR. WILLIAM MILNER as Superintendent of their Wagon Works, who is renowned in the wagon-making world as a superior builder of wagons.

EIGHTH.—It is sold by reliable and responsible men, and every Wagon guaranteed to give satisfaction.

NINTH.—It is the EASIEST RUNNING and strongest farm wagon made.

TENTH.—Combining all the above reasons in one, it is the best Wagon when new, and good when old.
